

Middle School Athletics Parent Agreement

Before a student-athlete participates in their chosen sport, they must turn in the following to their coach:

- Signed physical (physicals are available by appointment at the school clinic)
- \$25 Participation fee (CASH or money order ONLY)
- Signed Parent Agreement form

Martin Luther King, Jr. Early College student athletes are held to high expectations and we pride ourselves in maintaining the following conduct and expectations put forth by the school:

Student eligibility

Determined prior to each game, students must get their teachers to fill out the eligibility form and turned into their coach every Thursday. A student may not have a "D or F" on their progress report. Students who do not meet the requirements will miss each game until their progress reports deem them eligible. Student behavior is also recorded and factored into eligibility.

Student behavior

MLKJEC takes pride on, and has a good reputation for, housing well-behaved athletes. Students are expected to abide by instructions set by the coach, referee, or Athletic Director. If at any time your child does not abide by the expectations put in place, these authorities reserve the right to pull them from the competition or practice. Students are also expected to have good sportsmanship including abiding by the rules of the game, honoring a referee's call, and shaking hands at the end of a game. Students who do not adhere to the previously mentioned standards may be disciplined by a discussion from the authority resulting in a warning or suspension of game or season play and will not be allowed a participation fee refund.

Parent behavior

Parents and guardians are encouraged to attend games and cheer on their children in a positive manner ONLY. Please refrain from coaching your children as this may conflict with the instructions given by the coach. If at any time a parent/ guardian become unruly, the coach, official, or Athletic Director reserve the right to remove the parent from the game.

Fundraising

Fundraising opportunities will take place every year (and potentially each season) to raise money for end-of-season banquets as well as needs for the athletic department to ensure your student has the resources they need to excel in their sport. Each student is expected to participate.

I, _____, parent/guardian of _____
