

**Enrollment is Open** for the 2023 Generation Teach STEAM Academy (GTSA) - a **no-cost, fun, 5-week summer program** for students currently in 5th-7th grades!

In partnership with Denver Public Schools, Generation Teach STEAM Academy prepares students for **success in middle school and beyond** through engaging academic and enrichment programming.

- 95% of families recommend GTSA to other families.
- 97% of families said their children had teachers who cared, and 94% learned new things.
- Students gain an average of 2 months of reading & math growth.

### **Program Highlights**

- Free breakfast & lunch
- Free transportation to/from local middle & elementary schools (provided on a first-come, first-served basis; select your bus stop on the enrollment form)
- Small classes, young teachers, hands-on learning
- Engineering, math, reading, and law classes
- Afternoon enrichment classes (art, sports, games, and movement)
- Field trips and fun Fridays (skating, swimming, and more)
- Social justice focus throughout the curriculum (the majority of our teachers and leaders are people of color, and our learning experiences center the history and stories of people of color with the ultimate goal of ending racial inequity in education)
